

Activity Invitation letter 2019

Dear Fellow Anglers,

On behalf of Cranbrook and District (CADAC) I would like to provide you with some information about additional activities that the club is providing for this season.

As well as providing opportunities for all Members to pleasure or specimen fish all club venues, as part of the Junior Membership the club also provides opportunities for Adult and juniors to receive coaching. All coaching is by qualified coaches who are trained and have been screened for their suitability for working with young people.

We welcome parents and guardians to all the coaching sessions and value your support. In recognition of this we are holding parent and child coaching sessions as well as junior sessions. We are also running specific Tutorial Days for Carp and Pike. We have a pergola to provide a permanent shelter, if needed, as a base during the coaching sessions and the Family Day and BBQ. (NB There is a toilet on site.)

Below is information about coaching sessions and dates for 2019, and details regarding travel arrangements and tackle. Please complete the table below to indicate which sessions you or your child is attending. (**Please complete one form per applicant**). The Family fishing day and BBQ is open for everyone to attend and Junior coaching sessions will be held throughout the day.

Arrangements should be made for your child to travel to and from the venue on each occasion. We appreciate it if children can arrive promptly and are collected promptly at the end of the session, if they are not making their own way home. If you are going to be late picking your child up, please contact the Junior Membership Officer and let them know.

Please notes

- **All coaching is undertaken by Angling Trust Level 2 approved coaches and is free to juniors*.**
- **The tutorial days are free to CADAC members, depending on spaces being available non-members can apply for the Tutorial days at a cost £15 per session payable in advance either by cheque or by direct transfer by arrangement.**
- **Tackle and bait is provided for the Junior and Parent & Child coaching sessions.**
- **Please bring your own tackle for the Carp and Pike Tutorial Days.**
- **Please wear appropriate clothing.**
- **Suggest bringing a chair for both child and parent.**
- **Under 16's should be accompanied by an adult to sign in for the sessions.**
- **Under 10's MUST be accompanied by an adult for the whole of the sessions or match.**

We would be grateful if you could **complete the all the details below and send all three pages to the address below either by post or electronically (NB one from per applicant)**.

For the safety of Junior Members it is important that the club is informed of any medical condition or allergies that may be relevant, should your child fall ill or be involved in an accident while at the club.

If you would like to talk to someone at the club about this information, your child's involvement with the club or have any general questions, please contact me on 07958 536421.

We thank you for your co-operation and look forward to meeting you at some point in the future.

Yours sincerely,

Mike Coward
Junior Membership Officer
