Valence

All members have the right to propose any Rule Changes for debate but these can **only** be heard if sent to the Club Secretary in writing (38 Jaggard Way, Staplehurst TN12 0LF) or via the club's email (info@cranbrookanglingclub.co.uk) **four weeks** prior to the AGM, for the item to be placed on the agenda. The final Agenda together with a copy of our key reports on the 2016/2017 season will be provided to all members attending. For each item requiring a vote, there will be a brief justification from the committee or proposing member and views will be taken from the floor.

We will also appoint next season's **committee members**. If anybody wishes to join the Club Committee, they should contact the Club Secretary one month before the AGM. Please also volunteer if you would be prepared to serve as a Bailiff next season.

There will be a £1 raffle on the night, which will include one **FREE club membership** for next season, some CADAC merchandise, some new tackle supplied by our local sponsoring tackle shops and any tackle that (new or old) can donate. So bring along any unwanted items of tackle plus lots of cash and we'll have a bit of fun – all proceeds will go to the club.

CADAC club merchandise including polo shirts, hoodies and woolly hats will be on sale too.

Don't think this is a stuffy night of listening to the Committee waffling on about facts and figures; it is a fun night, a good laugh, chance to have a good chinwag about what is *really* going on and also a chance for you to get involved in the clubs plans.

Don't forget, if you want something discussed or a rule changed then put pen to paper (or finger to keypad) and send your thoughts into the club and it will be added to the AGM agenda.

You will need your **club membership card** (not your photo ID card) for entry to the AGM and to vote. Please do not forget it – no card no entry. We look forward to seeing you all there.
