

## CODE OF CONDUCT FOR PARENTS AND CARERS

Encourage your child to learn the Environment Agency (EA) Fishing Byelaws and CADAC Club Rules and adhere to them, ensure that juniors over twelve are aware of the need for an EA rod licence if over 12 years of age. Parents and Carers should set a good example by adhering to these rules

- Always follow the guidance or instruction of Club Bailiffs or Landowners
- Discourage inconsiderate fishing and confrontation with other anglers and related water users
- Ensure that your child enjoys going fishing regardless of whether they catch fish or not
- Although we are sure they will want to go never force your child to go fishing if they don't want to
- Give praise and encouragement to make your child a better angler
- Support your child by going fishing with them and help them enjoy the sport of angling. Don't leave them unaccompanied with people they do not know.
- Use correct and proper language at all times
- Encourage juniors to have responsibility for their own behaviour
- Ensure your child wears suitable clothing for outdoor activities. Warm clothing in cold weather, a hat in sunny conditions and a carry waterproof coat at any time of the year. Sun cream/block is advisable.
- Endeavour to deliver and collect your child at the arranged time and place if attending coaching sessions or organised events.
- Encourage your child to learn to swim.
