

Activity Invitation Letter 2022

Dear Fellow Anglers,

On behalf of Cranbrook and District Angling Club (CADAC) I would like to provide you with some information about additional activities that the club is providing for this season.

As well as providing opportunities for all Members to pleasure or specimen fish all club venues, as part of the Junior Membership the club also provides opportunities for adult and juniors to receive coaching. All coaching is by qualified coaches who are trained and have been screened for their suitability for working with young people.

We welcome parents and guardians to all the coaching sessions and value your support. These FREE coaching sessions are held in the morning and afternoon and we will also hold our annual Family Go Fishing Coaching & BBQ Day.

We have a large wooden pergola to provide shelter, if needed, as a base during the coaching sessions and there is also a toilet on site.

Below is information about the proposed coaching sessions and dates for 2022 (subject to any Government COVID19 restrictions), and details regarding travel arrangements and tackle. Please complete the table below to indicate which sessions you or your child is attending. **(Please complete one form per applicant).**

The FREE coaching sessions require pre-booking but the Family Go Fishing Coaching & BBQ Day are open for anyone to attend and turn up and fish.

Arrangements should be made for your child to travel to and from the venue on each occasion. We appreciate it if children can arrive promptly and are collected promptly at the end of the Parent & Child Coaching session, if they are not making their own way home. If you are going to be late picking your child up, please contact the Junior Membership Officer and let them know.

Please note:

- **All coaching is undertaken by Angling Trust Level 2 approved coaches**
- **Tackle and bait is provided.**
- **Please wear appropriate clothing and footwear.**
- **Suggest bringing a chair for both child and parent.**
- **Under 16's should be accompanied by an adult to sign in for the sessions.**
- **Under 10's MUST be accompanied by an adult for the whole of the sessions or day.**

We would be grateful if you could **complete the all the details below and send all three pages to the address below either by post or electronically (NB one form per applicant).**

For the safety of Junior Members, it is important that the club is informed of any medical condition or allergies that may be relevant, should your child fall ill or be involved in an accident while at the club.

If you would like to talk to someone at the club about this information, your child's involvement with the club or have any general questions, please contact me on **07958 536421**.

We thank you for your co-operation and look forward to meeting you at some point in the future.

Yours sincerely,

Mike Coward, Junior Membership Officer

All coaching is undertaken by Angling Trust Level 2 approved coaches.
