

CADAC Mission Statement

- to continue to provide facilities for and promote participation in the pleasure sport of angling on the waters under its control and elsewhere;
- the acquisition (by purchase, lease or other suitable arrangement) of waters for the purposes of angling;
- the preservation and improvement of the waters under its control including the fish environment and fish stocks;
- the creation where reasonably practical of new facilities for and the development and training of disabled anglers and young anglers – male and female;
- the promotion of a responsible and temperate approach to angling and respect for and conservation of the environment;
- the promotion and organisation of educational, sporting and social events;
- the promotion of the interests of angling and anglers;
- doing all such other things as are incidental or conducive to the attainment of the above objectives.
