

Activity Invitation

Dear Parents and Guardians,

On behalf of Cranbrook and District Angling Club (CADAC) I would like to provide you with some information about additional activities that the club is providing for its Junior Members for this season.

As well as providing opportunities for Junior Members to pleasure or specimen fish all club venues as part of the Junior Membership, the club also provides opportunities for juniors to receive coaching. All coaching is by qualified coaches who are trained and have been screened for their suitability for working with young people.

We welcome parents and guardians to all the coaching sessions and value your support.

(NB There is a toilet on site.) We have a new pergola to provide a permanent shelter, if needed, as a base during the coaching sessions and the Family Day & BBQ.

Below is information about coaching sessions and dates for 2018, and details regarding travel arrangements and tackle. Please complete the table below to indicate which sessions your child is attending. (**Please complete one form per child**).
